***Examiner's Statement of Reasons for Allowance***

1. Claims 1-22 are allowed.

2. The following is an examiner's statement of reasons for allowance:

The prior art made of record fails to anticipate or make obvious the claimed invention. Specifically, the prior art fails to teach, in combination with the remaining elements as recited in claim 1:

The present invention is directed to a multi frequency magnetic dipole antenna structures and method of reusing the volume of an antenna.

Regarding claim 1, Prior Art fails to specifically teach that, a first planar conductor; a first elongated conductor and a second elongated conductor, which are each substantially coplanar with the planar conductor; the first elongated conductor having a first end electrically connected to the first planar conductor and a second end; and the second elongated conductor, parallel to the first elongated conductor and spaced apart therefrom, having a first end electrically connected to the first planar conductor.

Claims 2-22 are allowed for depending on claim 1.

3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
